My agreement to the enrolment process

NB. Parent or Caregiver to sign if you are under 16 years

I intend to use RATA HEALTH as my regular and on-going provider of general practice / GP / health care services.

I understand that by enrolling with the **RATA HEALTH** I will be included in the enrolled population of National Hauora Coalition PHO, and my name address and other identification details will be included on the Practice, PHO and National Enrolment Service Registers.

I understand that if I visit another health care provider where I am not enrolled I may be charged a higher fee.

I have been given information about the benefits and implications of enrolment and the services this practice and PHO provides along with the PHO's name and contact details.

I have read and I agree with the Use of Health Information Statement. The information I have provided on the Enrolment Form will be used to determine eligibility to receive publicly-funded services. Information may be compared with other government agencies, but only when permitted under the Privacy Act.

I understand that the Practice participates in a national survey about people's health care experience and how their overall care is managed. Taking part is voluntary and all responses will be anonymous. I can decline the survey or opt out of the survey by informing the Practice. The survey provides important information that is used to improve health services.

I agree to inform the practice of any changes in my contact details and entitlement and/or eligibility to be enrolled.

I understand that payment for any services is required on the day of consultation. An administration fee will be applied to any overdue account. Any accounts that remain unpaid after 90 days will be sent for debt collection and the recovery costs incurred will be added to the outstanding amount of the account.
